all I stood tall and did it my way

Gm⁷ C⁷ Gm/F F

I've loved, I've laughed and cried
 I've had my fill, my share of losing
 And now, as tears subside, I find it all so amusing
 To think I did all that
 And may I say, not in a shy way,
 "Oh, no, oh, no, not me, I did it my way"

For what is a man, what has he got?
 If not himself, then he has naught
 To say the things he truly feels and not the words of one who kneels
 The record shows I took the blows and did it my way!
